

# THE #1 REASON WHY STUDENTS DROP OUT OF COLLEGE... LACK OF FINANCIAL AID (NOT ENOUGH MONEY)!

## THE SCHOLARSHIP WORKBOOK

The Scholarship Workbook is a comprehensive seven step guide/textbook developed to assist college-bound high school students and parents (especially first-generation students) with the process of understanding, searching and applying for scholarships and financial aid to help them pay for college.

Students and parents will learn how the financial aid process works, what to do, and mistakes to avoid. They will not have to guess, worry or stress about what they should do next during the process of applying for scholarships and financial aid. The Scholarship Workbook will also help students successfully complete any scholarship and financial aid applications in a timely manner.

The Scholarship Workbook will help students and parents:

- Understand the entire financial aid process
- Avoid common financial aid and scholarship mistakes
- Document their career goals, college plans and more
- Create a scholarship search strategy
- Identify various scholarship and financial aid sources
- Increase their chances of winning scholarships
- Submit professional looking scholarship applications
- Decode and compare colleges' financial aid award letters
- Estimate their student loan debt for each college
- And much more
